* **People can live up to 120 years**, according to Health scientists. What's more, many healthy men and women **have lived that long and longer**. Why not You?

Here are the **9**
SCIENTIFIC BASES
for the **RHUMART®** Anti-STRESS system

1.

The five physiological effects:

- 1- **improved** blood circulation;
- 2- **relaxation**, pain killing and anti-inflammatory effects;
- 3- **stimulation** of normal cell repair and regeneration;
- 4- **improved** communication between **cells and living beings**;
- 5- **overall anti-STRESS effect**.

8.

The Legal Evidence

The Universal manifests itself only through individual testimonials (K.G. Dürckheim)

The physiological nature and concrete results obtained with the RHUMART® system have been demonstrated under oath before the Superior COURT of Quebec (Ref.: Volume 4 of the Mikal encyclopedia). Four (4) judgments resulting from the saga with the PCPQ (Professional Corporation of Physicians of Quebec) clearly show the “legality” of and “official sanction” given to the RHUMART® system. The Scientific Credibility of the Inventor

The RHUMART® anti-STRESS approach is perhaps at the origin of the 6th RACE, the one that is conscious of the entire human RACE.

Dr. Roland A. Drolet, Ph. D., inventor of the RHUMART® system, was born in Quebec, Canada, in 1944. After earning his B.Sc.A. in Physics Engineering from Laval University in 1967, he completed a Master's degree (M.A.Sc.) and a Doctorate (Ph.D.) in Biomedical Engineering at the University of Toronto (1971). He then taught Biomedical Research and Electrical Engineering at Université Laval (1971...).
